Join the Cheese Cartel ☐

By Cheese Cartel

3 Months Of Cheese ☐

NZ\$180+

3 months of cheese sent the second Tuesday of every month (first delivery from February). If you would like to send this as a present, make sure to include the recipient's details in the "Address for Delivery" section when completing your pledge.

190 left

Why are we doing this?

We want to celebrate small-scale cheese producers in Aotearoa, to champion them in their journeys, help share their stories, and connect people like you to their farms of activity.

We are curating local, sustainable, small-scale cheese experiences.

6 Months Of Cheese ☐

NZ\$360+

6 months of cheese sent the second Tuesday of every month (first delivery from February). If you would like to send this as a present, make sure to include the recipient's details in the "Address for Delivery" section when completing your pledge.

IPCC report on agriculture supports NZ's sheep and beef farm systems

The Intergovernmental Panel report on Climate and Land demonstrates New Zealand lamb and beef produced as part of a low emissions farming system can help address climate change.

Food that heals the Land, the
Water, the People and all living
things.

Are we ready to be so bold?
