**Generation Zero**

# The story of the Zero Carbon Act

# Zero Carbon Act: key elements

- ✓ Long-term 2050 target
- ✓ 5 yearly 'carbon budgets'
- ✓ Climate Change Commission
- ✓ Emissions reduction plan
- ✓ Adaptation plan

# The New Zealand context

- ❑ Te Tiriti o Waitangi
  - ❑ Are we allowing international credits to be used to offset emissions?
  - ❑ Are we treating different gases differently?
  - ❑ Reporting on international climate aid and co-operation with our Pacific neighbours
-
